THE JONES MEMORIAL BUILDING

FORTY-EIGHTH ANNUAL MEETING OF THE PRESBYTERIAN HOSPITAL OF THE CITY OF CHICAGO

The forty-eighth annual meeting of the Hospital Society was held in the chapel of the Hospital on Wednesday January 21, 1931, at 12:15 P. M. with about 51 members and guests present. Luncheon was served.

Mr. Alfred T. Carton, President of the Hospital, presided, and Mr. William A. Douglass, Secretary of the Hospital, recorded. Rev. W. E. Donaldson, Chaplain of Cook County Hospital, gave the invocation.

The minutes of the annual meeting held January 21, 1930, were approved without reading.

On motion duly made and seconded it was unanimously

RESOLVED, that the Secretary be directed to cast a unanimous ballot of the members of the Society for the election of Messrs. Albert M. Day, James B. Forgan Jr., Alfred E. Hamill, Charles H. Hamill, William E. Sharp, and Solomon A. Smith as members of the Board of Managers to serve for the term of four years and until the election of their successors.

Mr. Asa S. Bacon, Superintendent of the Hospital, read, at the President's request, his paper entitled "The Relation of Hospitals to Public Welfare," prepared for the 1930 meeting of the American Hospital Association.

In the absence of Mr. Solomon A. Smith, Treasurer of the Hospital, the President submitted the Treasurer's statement of Cash Receipts and Disbursements for the year 1930, which will appear in the Annual Report, and a report of audit for the year by Messrs. Arthur Young & Company, Certified Public Accountants, showing a net gain of \$98.74, after deducting charity work in the amount of \$183,158.04.

On motion duly made and seconded the Treasurer's report was unanimously received and approved.

Miss M. Helena McMillan, Principal of the School of Nursing, read her annual report covering the educational work of the school and the nursing care given to patients in the Hospital.

The President read his report (printed separately in the Annual Report).

There being no further business, the meeting adjourned.

WILLIAM A. DOUGLASS,
Secretary.

REPORT OF THE PRESIDENT

TO THE MEMBERS OF THE SOCIETY:

A year ago Mr. Robert McDougal retired from the Presidency of the Hospital after a term of inspiring leadership. It has been the purpose of the Board of Managers during the past year to carry on the improvements instituted by him in the internal management of the Hospital and to pursue his vision for betterment and growth.

The project of furnishing in the Hospital and in Rush Medical College of the University of Chicago improved facilities for the teaching of clinical medicine, received great impetus through the generosity and foresight of Mrs. R. Harvey McElwee. For the purpose of creating a Memorial to her husband, R. Harvey McElwee, she has given to the Hospital the munificent sum of \$500,000.00 towards the erection of a surgical pavilion which may also include a diagnostic clinic. One hundred thousand dollars of this sum has been paid and the balance pledged payable when the necessary moneys to complete the addition have been obtained. The Medical School and Hospital Committee of the Board of Managers have been engaged on plans during the year. A preliminary fund of \$200,000.00 was authorized and has been partially given and pledged by members of the Board of Managers. Mr. Cyrus H. McCormick has expressed his interest in the program and his willingness to contribute both to the preliminary fund, and to the building and endowment funds to be eventually raised. The acquisition of the half block of land to the East of the Hospital has been completed. The University of Chicago, through its able president, Robert Maynard Hutchins, has assured us of its interest, and an educational program, which will have the approval and support of both the Hospital and the University, is being formulated. To use the language of our medical staff, diagnosis must precede treatment. Hospital construction and maintenance is too expensive for experimentation. Thus the Hospital will continue its destiny of a great public institution for affording surgical and medical aid and nursing to sick and disabled persons, by furnishing the facilities for their immediate care and also, through medical education and research, for their future welfare.

Permanent assistance in solving the ever serious problem of providing adequate nursing with the means at our disposal was received from Mrs. Ernest A. Hamill in a gift of \$35,000.00 for the endowment of a special nurse to be known as the Ernest A. Hamill nurse. We now have three special nurses, thus specially endowed—Helen North nurse who cared for 217 different patients in 242 days' service, the Gladys Foster nurse 217 patients during 262 nights, and the Ernest A. Hamill nurse 165 patients in 177 days. The Gladys Foster nurse is only partially endowed, and the early completion of this endowment is desirable.

The ability of our X-Ray department to meet the demands of modern medicine and surgery was increased with the help of Mrs. James A. Patten, who, at a cost of \$8,559.23, has provided a new biplane shockproof machine. There has been some rearrangement of the department in this connection, but further needed space must probably wait upon the building program.

For the relief of persons working on a very narrow margin of health and of wages and requiring Insulin treatment, Mrs. Charles Burrell Pike donated \$5,000 payable in five equal annual installments.

The following amounts were added during the year to the general endowment funds:

William Stanley North fund, bequest* of Elizabeth H. North.....	\$ 5,000.00
George W. and Ellen I. Hale Room, bequest of Harriet Hale Wooley..	40,000.00
Trust of Ida C. Lamson.....	10,000.00
Mary Byrne Room—radio receipts.....	757.49
School of Nursing Alumnae Association.....	900.00
Child's Free Bed—Woman's Board.....	2,005.66
Paula McCalla fund.....	5.00
Helen Marquis Room—Illinois Training School Alumnae Association..	2,500.00
Total	<u>\$61,168.15</u>

There has been much public discussion during the year of the cost of medical care. Several studies on the subject have been published during the year by a national committee appointed some years ago, of which Dr. Ray Lyman Wilbur, the Secretary of Agriculture, is chairman. Our hospital continues to make a practical contribution to the reduction of costs to the sick by the gradual reduction in the length of the patient's stay in the hospital. During 1930 the average length of stay was 10 days as against 11 days in 1929. We cared for 123 more individual patients but reduced by 2,182 days the total days' treatment of patients. From an operating financial standpoint, this reduction in days' treatment is reflected in a reduced income from patients; but, by careful management on the part of Mr. Asa Bacon, our Superintendent; Miss M. Helena McMillan, the Principal of our School of Nursing, and their assistants, expenses were reduced sufficiently to make up more than one-half of the loss of income. An increase in our income from endowment and the generosity of the friends of the Hospital enabled us to close the year without a deficit. Our current resources will, however, be severely taxed during the coming year, and every reasonable operating economy must be exercised. Mr. Bacon last month spent his thirtieth Christmas in the Hospital and in its service.

Among the many contributions of the year to thought on hospital problems, attention should be called to the published remarks of our fellow citizen, the philanthropist Julius Rosenwald, on the subject of "Hospitals From a Business Man's Point of View." Three principal points are made by Mr. Rosenwald; first, that the hospitals of the country constitute a big business exceeded in capital investment by only four industries, iron and steel, textiles, chemicals and allied commodities, and food products; second, that hospitals on the average have one-third of their beds unoccupied; and third, that there is a very large interest in charity as contrasted to providing efficient services at fees within the reach of the average man. I am glad to report that our hospital continues to run at over 80 per cent of its capacity and therefore shows a fairly complete use of its facilities. With respect to charity work, we believe that we have a primary trust to care for the needy sick to the extent of our means, but we subscribe to the doctrine that the individual should pay for his care within his means, and that even the very poor, if at all able, should make some payment for maintenance in the Hospital. It is hoped that the diagnostic clinic, which is included in the Hospital's program, will be of service to persons of moderate means who desire to pay as they go.

Our School of Nursing continues under Miss McMillan's leadership to furnish service in the Hospital and to graduate its quota of excellent nurses. Attention is invited to the small principal amount of endowment—\$34,138.35—that has been

provided for the School, in comparison with the annual net cost of the School to the Hospital for 1930 \$109,594.88. While a large part of this cost might be eliminated by book credits for services rendered by the students in the Hospital, it is believed that these services should not be valued, but should be considered an incident of the education of the students. Substantial funds for nursing education therefore occupy an important place in our program as a teaching hospital. The school has an average of 200 student nurses and a staff of 75 graduates to teach, supervise and nurse. Of these an average of 62 graduate nurses and 117 advanced student nurses have done service in the Hospital in 1930, as compared with 61 graduate nurses and 118 students in 1929, a total of 179 in each year. The students also serve in the Central Free Dispensary, the out-obstetrical department and the pre-natal and other clinics of Rush Medical College, the Durand Hospital of the McCormick Institute for Infectious Diseases, the Chicago Lying-in Hospital, and the mental departments of the Chicago and Kankakee State Hospitals. It is desired to acknowledge assistance in training received from these institutions and from the Visiting Nurse Association, the Chicago Tuberculosis Institute and the Elizabeth McCormick Foundation. The assignment of the Seventh Floor Murdock to maternity patients has increased the opportunity for obstetrical practice in the Hospital. Specialized work for incubator babies has been instituted in the Children's Department. A matriculation fee of \$50.00 for student nurses was instituted in the fall.

During the year the Hospital lost by death Miss Jessie Breeze, the head of our Social Service Department for more than sixteen years. Miss Isabel Bering has been appointed to fill the vacancy.

Two members of the Medical Staff, Dr. Ralph Webster, attending chemist, and Dr. John B. Ellis, assistant attending ophthalmologist, also died during the year.

In conclusion it is desired to again express the Board of Managers' sincere appreciation of the great services in and for the Hospital performed by the Woman's Board, and to mention specially the furnishing of the pavilion alcoves.

The skill and self-sacrifice of our Medical Staff must always be something of a miracle to the layman. We can only express to them our gratitude, for ourselves, for the sufferers whom they attend, and for the students who benefit from their instruction—a double service performed in large part by distinguished men without financial recompense.

To the executive staff of the Hospital we give our thanks for humane and efficient service.

Respectfully submitted,

ALFRED T. CARTON,
President.

SUPERINTENDENT'S REPORT

Patients admitted during the twelve months ending December 31, 1930.

Adults	9,007
Children under 14.....	2,176
Maternity babies.....	777

Total admitted.....	11,960
---------------------	--------

Patients admitted to private rooms (36 per cent).....	4,271
Patients admitted to wards (64 per cent).....	7,689
Number of full-pay patients admitted (33 per cent).....	3,984
Number of part-pay patients admitted (49 per cent).....	5,822
Number of free patients admitted (18 per cent).....	2,154
Number of patients transferred from pay to free.....	1,048
Medical patients (32 per cent).....	3,799
Surgical patients (50 per cent).....	5,953
Gynecological patients (5 per cent).....	623
Obstetrical patients (7 per cent).....	839
New babies (not counting still births) (6 per cent).....	746
Patients died (including all emergency cases who died within 24 hours after admission) (2½ per cent), autopsies 185.....	306

Days' Treatment of Patients

Number days' treatment full-pay patients (35 per cent).....	43,848
Number days' treatment part-pay patients (39 per cent).....	49,818
Number days' treatment entirely free patients (26 per cent).....	33,261

Total days' treatment.....	126,927
----------------------------	---------

Hospital Charity Work

†Part-pay patients (days' treatment) (39 per cent).....	49,818
*Free patients (days' treatment) (26 per cent).....	33,261
Free X-ray skiagraphs and treatment.....	1,674
Free laboratory tests special blood and spinal fluid.....	1,321
Free dressings given patients after leaving hospital.....	1,242
Free radium treatments.....	31
Free metabolism tests.....	294
Free electrocardiograms.....	93
Free use of operating rooms.....	1,383

District Charity Work

Obstetrical patients treated in their homes.....	736
Number of births (12 pairs of twins).....	748
Calls made by doctors and nurses.....	4,789

†Patients paying a part of the cost of their care.

*This includes patients who were admitted as pay patients and later transferred to free for lack of funds.

General Information

Patients referred to Social Service Department.....	836
Patients referred to Occupational Therapy.....	730
Average daily number of patients.....	350
Average length of stay of patients (days).....	10
Largest number of patients at any time.....	422
Number of ambulance trips.....	195
Number of employees (including Nurses' School).....	514
Number of house physicians.....	33
Average number of special (graduate) nurses.....	87
Average number of student nurses enrolled.....	200
Number of patients' beds (not including maternity babies).....	425
Average daily cost per capita.....\$	7.51
*Daily cost per capita private room patients.....\$	6.15
*Daily cost per capita ward patients.....\$	4.64

*Including School for Nursing expense.

ASA S. BACON,
Superintendent.

FORM OF BEQUEST

I give and bequeath to THE PRESBYTERIAN HOSPITAL OF THE CITY OF CHICAGO, incorporated under the law of the State of Illinois, the sum of.....Dollars, to be applied to the use and benefit of the said hospital, under the direction of the managers thereof.

FORM OF DEVISE

I give and devise to THE PRESBYTERIAN HOSPITAL OF THE CITY OF CHICAGO, incorporated under the law of the State of Illinois, all that, etc. [*describe the property*], to be had and holden to the said THE PRESBYTERIAN HOSPITAL OF THE CITY OF CHICAGO, and their successors and assigns, for the use and benefit of the said hospital.

HOW YOU CAN HELP THE HOSPITAL

FREE BEDS AND MEMBERS

- A donation of \$50,000 entitles the donor to name a twelve-bed ward, which shall remain as a perpetual memorial to the donor, or any other individual he wishes.
- A donation of \$20,000 carries the same privilege for a four- or six-bed ward.
- A donation of \$10,000 entitles the donor to designate a room in the Private Pavilion which shall be named as desired by the donor and remain as a perpetual memorial.
- A donation of \$7,500 designates a bed in perpetuity.
- A donation of \$5,000 designates a bed during one life.
- A donation of \$5,000 designates a bed in the Children's Ward in perpetuity.
- A donation of \$300 annually designates a bed in the general wards.
- A donation of \$100 or more constitutes the donor a life member of the institution.
- A yearly donation of \$10 constitutes an annual member.

MEMORIAL ROOMS

- The following rooms are named by reason of \$10,000 gifts:
- Tuthill King, by Mr. King when the hospital was organized.
- Henry Corwith, by his daughters: Mrs. Charles I. Dangler, Mrs. E. A. Hamill, Mrs. Ambrose Cramer and Mrs. Alfred L. Baker.
- Mrs. Cornelia Johnston Williams, by Mr. Simeon B. Williams, Miss Anna P Williams and Miss Cornelia B. Williams.
- John Wentworth, by Mrs. Roxana Wentworth Bowen.
- Harriet A. Jones, by the D. A. Jones Estate.
- Mary O. Newell, by the D. A. Jones Estate.
- Harriet G. Sabin, by the D. A. Jones Estate.
- Isabella C. Allen, by the D. A. Jones Estate.
- Marshall Field, by Marshall Field.
- Margaret Murdoch, by Thomas Murdoch.
- Mrs. L. C. Paine Freer, by the L. C. Paine Estate.
- Francis E. and Verner L. Corey, by Mrs. John B. Drake in memory of her parents.
- Frederick Haskell, by Frederick T. Haskell.
- Benjamin F. Felt, by Mrs. B. F. Felt.
- William Blair Memorial, by Mrs. William Blair and Edward T. Blair.
- Henry W. and Aurelia R. King, by Francis King and Mrs. Cyrus Bentley.
- Abijah Keith, by Sarah Miller Keith.
- Avarana.
- Henry C. Durand, by the Estate of Henry C. Durand.
- Phœbe Carter, by the Estate of Mrs. Phœbe Carter.
- Jane Harding Batterill, by her daughter, Jane B. Prince.
- James C. King, by the Estate of James C. King.
- Mary H. Poole, by Abram Poole.
- Albert Keep, by Mrs. Harriet D. Keep in memory of her husband.

Hyde Park Presbyterian Church.
Richard A. Wells, by Mrs. Wells.

All money received for memorial rooms, beds and from bequests is credited in
all cases to the Endowment Fund, and is not used for the administration of
the hospital or for building. The income from endowment has never equaled
the charity account.

ENDOWED NURSES

THE purpose of this Endowment is to take care of the very sick who, during critical periods of illness and especially following serious operations, need special nursing but who cannot afford to pay for such services.

These endowments are among the most valuable that we have because human lives are actually being saved by the devoted care of these nurses. More endowments of this character are badly needed. The cost of endowing a nurse is \$35,000.00, the interest of which pays the salary of a nurse. The endowments so far established are:

The Helen North Nurse,
The Gladys Foster Nurse,
The Ernest A. Hamill Nurse.

TREASURER'S REPORT

SUMMARY OF CASH RECEIPTS AND DISBURSEMENTS FOR YEAR ENDED DECEMBER 31, 1930

AUDITORS' REPORT

For the Year Ending December 31, 1930

ARTHUR YOUNG & COMPANY

CERTIFIED PUBLIC ACCOUNTANTS

105 South La Salle Street

CHICAGO, DECEMBER 31, 1930.

*To the Board of Trustees of the Presbyterian Hospital of the City of Chicago,
Chicago.*

DEAR SIRs :

We have examined the books and accounts of your institution for the year ending December 31, 1930, and certify that the accompanying statement of Receipts and Disbursements is correct.

The cash on hand and in bank was verified by us and the investment securities were examined and found correct.

Yours faithfully,

ARTHUR YOUNG & Co.

THE TWENTY-EIGHTH (28th) ANNUAL REPORT OF THE SCHOOL OF NURSING

Mr. President and Members of the Board of Managers:

The School of Nursing has completed its twenty-seventh year of dual obligations—to the community by preparing young women to efficiently nurse the sick public, and to the Presbyterian Hospital by the nursing care given to its patients.

In order to function in this double capacity it has had enrolled a daily average of 200 student nurses, 155 in the advanced classes, 45 in the preliminary six months period, and has employed a staff of 72 graduate nurses to teach, supervise and nurse, the grand total of 272 being 8 less than in 1929.

To the nursing of the Presbyterian Hospital there have been allotted a daily average of 62 graduate nurses and 117 advanced student nurses as against 61 graduates and 118 students in 1929, a total of 179 in each year.

An average of 87 graduate nurses daily have accomplished 31,970 days special nursing in the hospital, while in 1929 there were 33,599 days by an average of 90 nurses.

The Helen North nurse has cared for 217 different patients, giving 242 days' service; the Gladys Foster nurses, 217 patients during 262 nights; the Ernest A. Hamill nurse, 165 patients in 177 days.

The change made in July of assigning the Seventh Floor Murdock to overflow maternity patients, the transference of children tonsillectomies to Second Floor Jones and later the specialized work with incubator babies in the Children's department, accompanied by the establishment of a milk station, all have called for more intensive nursing service. Added to the above, the fact that during the fall and winter months a much larger percentage than usual of the patients entering the hospital have been critically ill, helped to make a fully occupied nursing staff.

Of non-hospital work the students of the School have given:

To the Central Free Dispensary—2,476 days' service for its daily average of 414 patients, a total of 75 students, with a daily average of 7 on duty.

To the Out Obstetrical Department of Rush Medical College—862 days, 60 students, with an average of 2 daily making 3,538 calls in the district homes, caring for the mothers and babes.

In the Pre-Natal Clinic of the Rush Medical College—815 days, 60 students, averaging 2 on duty daily, have helped with its 2,762 patients.

The other numerous clinics of Rush Medical College have been taken care of as the need arises, and also the examining rooms on the first floor of the Presbyterian Hospital, with a daily average of 55 to 60 patients.

The valuable experience given in communicable diseases at the Durand Hospital has been secured by 34 of our students; that at the Chicago and Kankakee State Hospitals, in mental nursing, by 12 students and at the Chicago Lying-In Hospital for obstetrics, by 2 students, requests for the latter affiliation being much lessened since additional maternity beds in the Presbyterian Hospital made possible a larger experience in that branch of nursing.

To prepare themselves for public health nursing 8 students have availed themselves of the 2 months' course given by the Chicago Visiting Nurses' Association,

while the whole Senior class has, as in former years, had the privilege of lectures given by specialists on Public Welfare under the auspices of the Chicago Tuberculosis Institute. To Mrs. Sachs and Miss Morrison of the Institute we are indebted for this annual assistance extending over a number of years and also to the Elizabeth McCormick Foundation for the valuable health teaching given by Dr. Caroline Hedger twice yearly to the members of each in-coming class.

Experience in the care of orthopedic patients is a need which, as yet, has not been met.

The schedule of instruction and the general policy of the School are fully outlined in the annual announcement and beyond the re-establishment of a matriculation fee, this time for fifty dollars, there have been no radical changes.

The health record of the student group made by the Health Nurse, Miss Van Horn, is in the school files. It is gratifying to learn that the percentage of illness among the advanced group is .57 per cent of the total amount, the larger percentage of 1.53 being within the first six months after entrance. There were 294 cases of illness on the part of 184 students; a total loss of 1,586 days of which 1,022½ were spent as patients in the hospital. The average length of time off duty per student of the 184 was 8.6 days, this being brought up by lengthy illnesses covering from 24 to 61 days on the part of 9 students. The leading types of illness were 87 cases of respiratory trouble, 42 gastro-intestinal and 43 operative cases. The fact that 181 cases of illness were on the part of "repeaters," some of whom were ill three and four times, emphasizes anew the great need of careful selection of candidates and a wise elimination of the unqualified.

Approximately 183 interviews were given to young women interested in entering the school; 177 formal applications were received, of which 107 were acted upon favorably. A class of 47 entered in the spring, 48 in the fall, 32 were dropped and 58 graduated.

Of the 1,118 holding diplomas of the Institution our records indicate that there are engaged in private duty, 224; in Institutional work, 189; in Public Health work, 81; in Foreign Mission work, 13; Physician, Anæsthetists, technicians, office and allied work, 28; Married, 469; Dead, 35.

In common with all private duty nurses our graduates doing that type of nursing have this year felt the existence of non-employment. There have been sent out by us to nurse in the homes 154 nurses as against 182 in 1929 and there have been employed daily in the Presbyterian Hospital, three less special duty nurses than in the previous year. The members of the 1930 graduating class, in most instances, selected institutional or public health work and being in large part successful in securing these positions have not added largely to the private duty group.

An evident present need is bedroom provision for members of the graduate nurse staff, some of whom are on the street early and dark mornings and others up to midnight. Residence would protect them from the real dangers of the neighborhood.

The Alumnae Association has kept up its interest in the school activities, among other things each year making a monetary contribution to the school Library for professional magazines. The spring dance given by the Alumnae for the benefit of the School Endowment Fund netted \$773.75. This with the returns from the March Concert of \$849.73, the December Sale of \$150.15 and various small contributions, brings that Fund to \$34,138.35. The Mary Byrne Endowed Room Fund for the care of the sick members of the Alumnae now reaches \$24,393.35 and the Gladys Foster Fund for the Ward Nurse \$18,680.49. The Alumnae is at present actively at work trying to increase its Sick Benefit and Relief Fund for those unable to make use of the hospital endowed room.

Among the many to whom we would return thanks for continued and much

helpfulness are Mrs. Ernest A. Hamill for her annual provision for our Christmas festivities; to Miss Helen V. Drake and other members of the Woman's Board for their many evidences of interest; to the members of the 1930 Graduating Class for a radio, lamps and electric appliances; to the graduate nurse staff and the alumnae for their loyal support; to Dr. George F. Dick and all members of the Medical Staff who have always responded to our requests for assistance; to Mr. Bacon and other members of the Hospital Staff for their cooperation; and to the Board of Managers of the Institution.

Respectfully submitted,

M. H. McMILLAN,

Director of the School and Superintendent of Nurses.

Chicago's Youngest Presbyterian

THE FORTY-SEVENTH ANNUAL
REPORT
OF THE
WOMAN'S BOARD
OF
THE PRESBYTERIAN HOSPITAL
OF THE CITY OF CHICAGO

For the Yea. Ending December 31, 1930

April 7, 1931

To the Board of Trustees of

The Presbyterian Hospital of the City of Chicago,
Chicago.

Dear Sirs:

As requested, we have examined the accounts and records of the Woman's Auxiliary Board of the Presbyterian Hospital for the year ended December 31, 1930, and have prepared therefrom the attached statement of cash receipts and disbursements, and list of securities held at December 31, 1930.

We examined all canceled checks submitted in support of cash disbursements and found them correctly recorded in the books. Income from securities was duly accounted for.

We verified the cash balance at December 31, 1930, by reconciliation with the balance confirmed direct to us by the depository. Investment securities were confirmed to us by the Trustee.

Yours faithfully,

ARTHUR YOUNG & Co.
